

COMP 215 – Winter 2025

Review Topics for Midterm

This is a list of the topics for the midterm exam. Study all the chapters in our class schedule:

- Chapter 1 (1.1 - 1.6)
- Chapter 2
- Chapter 3 (3.1, 3.2)
- Chapter 4 (4.1, 4.2, 4.3)
- Chapter 5 (5.1 - 5.4, 5.6)
- Chapter 7
- Chapter 8 (8.1 – 8.5)
- Chapter 9 (9.1, 9.2, 9.4)
- Chapter 10 (10.1-10.4)

Make sure you review the concepts in HWs, Slides, Concept Check, and in-class exercises. At the end of each of the chapters, there is a section called “Test Your Understanding”, that contains questions about the ideas in that chapter. It is a good idea, after finishing each chapter, that you answer those questions to test your knowledge.
